

January 2023

Welcome to the start of the new school year! We are thrilled to welcome our learners, parents and staff back to school and to another exciting year of learning and growth.

As we begin the new school year, we would like to remind everyone that important dates for events can be found on the D6.

We would like to take this opportunity to welcome a new staff member to our school community. We are excited to have Mr Pabale as an educator in the Computer room and intermediate phase classroom. We are confident that he will make a positive impact on our learners and our school community.

We are excited to announce some new developments and programs at our school. We have Zulu as a second additional language led by Miss Zuke. This starts in Grade 3 up to Grade 6 and will develop throughout the grades in future years. Additionally, we will be making several renovations to the school, improving the 'hall' area and adding on a perceptual playground for the foundation and preschool learners.

Jubilate Primary School has developed into our new trade mark of Jubilate School. We are in the process of updating our website and social media pages. Keep a look out for this exciting development. If there are any parents out there that are willing to participate in marketing, it would be greatly appreciated.

We would also like to remind everyone of the resources available to you on our website, D6 and Facebook pages. You can find the school calendar, events calendar and handbooks.

Finally, we would like to encourage parents and learners to get involved in the school community through volunteering, joining in and attending events. We have a wide range of activities and opportunities for everyone to get involved in, and we look forward to seeing you at our events throughout the year.

We look forward to a great year ahead! If you have any questions or concerns, please do not hesitate to reach out to the school administration or staff members.

Introducing our Jubilate School Educators

Preschool

Miss Osner

Grade RR/RRR

Mrs Zitha

Grade R

Intermediate / Senior Phase

Foundation Phase
